## Direct Primary Care Primary & Preventative

Through DPC with HINT, you have unlimited access to dedicated primary care clinicians who provide you and your family personalized, uninterrupted around-the-clock care. A Monthly Membership.

- Care focused on prevention and healthfulness.
- Care plans personalized to your needs and goals.
- Same and next-day access to clinicians.
- Affordable lab and Rx options nearby and convenient for you.
- 24-7 access to care in person, by phone, text, email or video chat.

## Medical Cost Sharing

### Larger Medical Costs

Clearshare is a Healthshare here to give you peace of mind and budget when it comes to those large unexpected medical events. Pay a monthly membership contribution and only be responsible for your selected Annual Max when eligible medical needs arise.

- Offering members the lowest fixed amount each month and lowest out-of-pocket costs when using the membership.
- Control your care with no restrictions on the providers you can access.
- Giving members a simple, fair, and easy-to-understand experience.
- Care Coordination Team dedicated to finding you high-quality, fair priced providers for services like diagnostic tests, surgeries, and other major procedures. When you use a provider we recommend, your care is free!
- Let your DPC take care of the preventive side, we have your back when the medical event becomes a Need and goes outside of your clinic such as an ER visit, Cancer, Surgery, or Hospitalization.
