

The Summary of Benefits and Coverage (SBC) document will help you choose a health [plan](#). The SBC shows you how you and the [plan](#) would share the cost for covered health care services. **NOTE:** Information about the cost of this [plan](#) (called the [premium](#)) will be provided separately.

**This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, please call 1-877-405-2926. For general definitions of common terms, such as [allowed amount](#), [balance billing](#), [coinsurance](#), [copayment](#), [deductible](#), [provider](#), or other underlined terms see the Glossary. You can view the Glossary at <https://www.healthcare.gov/sbc-glossary> or by calling 1-877-405-2926 to request a copy.

Important Questions	Answers	Why This Matters:
<b>What is the overall <a href="#">deductible</a>?</b>	Tier 1: \$0 / \$0; Tier 2 In-Network/Participating <a href="#">Providers</a> : \$8,000/person; \$16,000/family; Tier 3 Out-of-Network/Non-participating <a href="#">Providers</a> : \$8,000/person; \$16,000/family	Generally, you must pay all of the costs from providers up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
<b>Are there services covered before you meet your <a href="#">deductible</a>?</b>	Yes. <a href="#">Preventive Care Services</a> , and some services that charge a <a href="#">copayment</a> , such as primary care, specialty care and prescription drugs are covered before you meet your <a href="#">deductible</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered <a href="#">preventive services</a> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<b>Are there other <a href="#">deductibles</a> for specific services?</b>	\$250/person / \$500 family Prescription Drug <a href="#">Deductible</a>	The Prescription Drug <a href="#">Deductible</a> must be satisfied before a <a href="#">copayment</a> will apply.
<b>What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</b>	Tier 1 & 2 In-Network/Participating <a href="#">Providers</a> : \$8,700/person; \$17,400/family Tier 3 Out-of-Network/Non-participating <a href="#">Providers</a> : \$17,400/person; \$34,800/family;	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.
<b>What is not included in the <a href="#">out-of-pocket limit</a>?</b>	Penalties for non-compliance with <a href="#">plan</a> provisions; <a href="#">premiums</a> ; <a href="#">balance-billing</a> charges and health care this <a href="#">plan</a> doesn't cover.	Even though you pay these expenses, they do not count toward the <a href="#">out-of-pocket limit</a> .
<b>Will you pay less if you use a <a href="#">network provider</a>?</b>	Yes. <a href="https://hstconnect.com/">https://hstconnect.com/</a> or call 800-440-7427 for a list of <a href="#">network providers</a> .	You pay the least if you use Tier 1 providers to whom you are referred by your Care Coordination Team. You pay more if you use a Tier 2 In-Network/Participating <a href="#">provider</a> . You will pay the most if you use a non-participating/ <a href="#">out-of-network provider</a> , and you might receive a bill from a <a href="#">provider</a> for the difference between the provider's charge and what your <a href="#">plan</a> pays ( <a href="#">balance billing</a> ). Non-compliance with using recommended providers subject to precertification will result in a penalty of \$500.00 plus 25% benefit payment reduction on covered procedures.
<b>Do you need a <a href="#">referral</a> to see a <a href="#">specialist</a>?</b>	No, but it is highly recommended.	If you use a <a href="#">specialist</a> through care coordination your quality of care may be increased and your out-of-pocket cost will be reduced.

All [coinsurance](#) costs shown in this chart are after your [deductible](#) has been met, if a [deductible](#) applies. If the deductible does not apply, neither does coinsurance.

## About these Coverage Examples:

**This is not a cost estimator.** Treatments shown are just examples of how this [plan](#) might cover medical care. Your actual costs will be different depending on the actual care you receive, the prices your [providers](#) charge, and many other factors. Focus on the [cost sharing](#) amounts ([deductibles](#), [copayments](#) and [coinsurance](#)) and [excluded services](#) under the [plan](#). Use this information to compare the portion of costs you might pay under different health [plans](#). Please note these coverage examples are based on self-only coverage.
